I, the undersigned, am the owner, the owner's representative or otherwise control the real property at the location described above. The United States Environmental Protection Agency (EPA) has requested entry and access to the property pursuant to its response and enforcement responsibilities under the Comprehensive Environmental Response, Compensation and Liability Act as amended (Superfund), 42 U.S.C. §§ 9601-9675.

I consent to officers, employees, and authorized representatives of the EPA, including its authorized contractors, entering and having access to the Property to:

Conduct radiation sampling and radiation investigatory activity on the property;

Perform oversight of any radiation sampling or related cleanup work including consolidating, stockpiling, handling, studying, treating, and disposing of hazardous materials;

Perform other actions to investigate or oversee the monitoring or removal of thorium contamination on the property that U.S. EPA may determine to be necessary; and

Taking any response action to address any release or threatened release of a hazardous substance, pollutant or contaminant which U.S. EPA determines may pose an imminent and substantial endangerment to the public health or the environment.

This written permission is given voluntarily, on behalf of the owner and all other co-owners of this property, with knowledge of my right to refuse and without threats or promises of any kind.
